The National Memorial Day Association of Georgia and the Avenue of Flags, Inc. is an organization dedicated to honor the memory of those who have served, or now serve, their country in the armed forces. From the citizen-soldier patriots who won our freedom from England to the days of Afghanistan and all who have contributed to the establishment and maintenance of the marvelous freedom we enjoy today.

Each Memorial Day since 1946, the Association has held a public gathering at the National Cemetery in Marietta to refresh our memory as to the debt we owe to the courage, conviction, and determination of our predecessors. A small flag is placed by Scouts on each of the approximately 18,000 graves in the cemetery on the Saturday prior to Memorial Day. The Memorial Day program includes music, a speech by a well-known person, and a prayer of remembrance. Representatives of the veterans, genealogical, historical, and patriotic groups that comprise the main membership of the Association present wreaths, and the ceremony concludes with Echo Taps.
